POTTERY | MERCHANT

At Pottery Merchant we recognize that the only reason we are here is because of your support. We strive to be dependable and consistent. The challenge of supply and the awakened interest in pottery makes us more dedicated to our mission: bringing you the ranges and styles that can compete in the marketplace.

In these times we have a renewed appreciation for all packers, drivers, office and sales staff that make Pottery Merchant work. As much as we upgrade systems and offerings it is people who are the heart of our enterprise.

We all are concerned with safety during these times. Be confident that Pottery Merchant has instituted protocols to keep our warehouse, office and shipping safe. We are concerned for our families and yours.

We appreciate you, and are doing everything we can to secure the products in the quantities you are looking for.

Damages & Discrepancies

Pottery Merchant stands behind its products and shipping logistics, but damage and shortages do occur. Please inspect loads as soon as possible. Pottery Merchant considers 10 days a reasonable time within which to inspect your order. Common carriers will not issue credit if receipt of the delivery is signed off without any damage noted. Sign common carrier bills "subject to inspection" if they cannot be inspected at the time of delivery. If damage is not noted, but later discovered, no more than 2% of the order total can be honored. Damage claims over 2% cannot be honored if not made within 10 days of delivery. Factory/manufacturing defects must be reported within 6 months of receipt to be eligible for a credit.

Pallets

There is a $5.00 charge per pallet used to pack your order.

Labels

Each Pottery Merchant item is marked with an item code, description and UPC barcode. There is a 2% fee charged to create and send along retail labels for your order. There is a 5% fee to create and apply labels to your order.

Discounts

We offer a 10% off complete pallets. The discount applies only to pallet quantities shipped as they are received by Pottery Merchant. If any repacking or labeling is required the pallet discount cannot be applied.

Restocking Fee

Once an official order has been processed and delivered a 20% restocking or cancellation fee will apply to all merchandise returned.

Past Due Finance Charges

Normal finance terms for overdue accounts will apply: 1.5% per month for monies overdue 30 days or more. If there are extenuating circumstances, please call our office to arrange a payment plan.
